We envision our athletes to have an “all-in” mentality in which we want them to capture the essence of our company. Our athletes will rise-up, be resilient, and be revolutionary as they build skill to fulfill their aspirations in cheerleading.

Our Vision...

Be Yourself.....REVOLT

The core values of our business will be to build self-confidence and character through our vision. This vision is based on our six keys to a successful cheerleading experience. These keys are:

Resilience

Empowerment

Values

Opportunities

Leadership

Trust

WE Believe in Us.....REVOLT

Team Registration Checklist

Be sure to arrive with these items already completed or turned in by your first practice:

Athlete Information and Liability Wavier

Copy of Birth Certificate

Financial Agreement

Payment Authorization Form

Registration Fee and Uniform Payment (if not preregistered online)

IMPORTANT: Please be sure to double-check all of your information. Contact information needs to be legible and written in blue or black ink. All paperwork and money is due the first day of practice.

Team Placement

Please note, team placements are not finalized. Athletes who do not keep skills performed initially may be moved to a different team throughout the season. Those who show marked improvement may be moved up a level. We do our best to place our athletes on correct teams initially, but skills must be maintained to stay on teams.

More teams will be added as we grow!

Financial Obligation

Before you consider this, or any program, please consider the financial commitment involved. We are as open and up-front with our costs as possible. We have comprehensive monthly price that covers all of the expenses throughout the year. There are 11 monthly charges from July 2018- May 2019. (Tuition will be due on the 1st of each month). This price covers tuition, competition fees, choreography/music and does not fluctuate from month-to-month. Rather than raising and lowering tuition based on the number of practices or events (or other factors), this cost averaging system makes financial planning much easier for our customers. Athletes who join a team after the initial practices will have to pay a significant portion of their missed tuition in order to "catch up" on some of the items that are spread out over the entire season. Cost may vary depending on team and commitment level. Teams will compete locally to eliminate travel costs.

Holidays & Breaks

Revolt is an 11-month program. We will begin meeting and practicing in the middle of June and continue through the middle of May. Athletes are expected to attend all competitions as a team. We realize many children and young adults are involved in a variety of activities: however, we cannot make exceptions for schedule conflicts. We expect top priority and 100% commitment and attendance. Please keep in mind there are only 6 excused absences allowed per season for full season teams. Excused and Unexcused absences are defined under the team and athlete policies section. Please refer to those when joining our program. A detailed calendar with mandatory dates will be sent to you upon registration.

Competitive Team

Our competitive cheer teams are for those athletes who want to commit more time and effort in learning new skills and gaining confidence in the sport of cheerleading. Revolt Competitive Cheer offers all teams and athletes an opportunity to compete locally, while receiving a genuine cheerleading experience. Our competitive cheer teams will focus on learning proper technique and progressions in all aspects of cheerleading, such as jumping, stunting, tumbling and motions. Our instructors are trained, passionate and highly-knowledgeable in the sport of cheerleading. They will assist in providing a positive learning experience for all athletes. Revolt Competitive Cheer will help athletes gain confidence, build relationships, attain team and personal goals and dedicate themselves to achieving their personal best. The Competitive Cheer teams will practice two days a week for two hours each day. Each team will have their own competition routine that they will perform throughout the year at local competitions. We do not travel.

Age: 5-18 years old (a variety of teams will be offered and athletes will be placed by age and ability level.)

Parent/ Athlete Program Policies

- Do not make assumptions, always ask.
- All cell phones must be turned off once practice starts.
- All clothing & belongings must be stored in the cubbies, not thrown on the floor.
- Don't bring items of value to the gym. (Money, phones, jewelry, etc.) Revolt is not responsible for lost or stolen items.
- No one is allowed to yell onto the floor or make contact through the gym doors
- Attitude is everything. If an athlete has a negative attitude, we will place him/her on a non-competitive program, such as a class, until improvements are made. A replacement will be put in position.
- Do not call or text the staff unless it is an emergency. The staff needs to have their personal time away from work. Thank you in advance for respecting this rule.
- After your child is released from practice, they are no longer under the supervision of Revolt. Please be prompt when picking your children up from practice as we can't have other practices being distracted by unattended children.
- You cannot create or sell your own Revolt apparel. Our name and LOGO are copyrighted. All ideas for apparel must be emailed and approved by Management. This includes using team names on designs.
- Punctuality is a MUST. Arrive 10 minutes early to all practices, competitions, and functions. If you are late or dressed incorrectly, you will condition after practice.
- The only people allowed in the gym are staff members & athletes that are on the Team Rosters. Parents, friends, relatives & siblings must remain in the waiting room. Siblings of athletes cannot come inside the gym and watch practice.
- Do not gossip about other teams, parents, other gyms or kids. Again, if you have any questions, ASK.
- Always be an example of good sportsmanship, positive conduct, & professionalism at all competitions & practices. No profanity or rude language.
- It is the parent's responsibility to stay informed. Check your email and website regularly. If you aren't receiving emails, contact the Gym Director ASAP.
- Feel free to talk to your coach about anything. We want to make sure the line of communication is open. However, there is an appropriate time. Please contact the coach to make an appointment.
- Absences must be cleared & approved by the Head Coach.

- Coaches & Directors reserve the right to close practices at any time.
- Do not post negative comments, routines or music on social media boards, YouTube, or any website.
- Withholding your child from practice cannot be used as a form of discipline. This is unfair to the rest of the team.
- Your opinion regarding practice & routine construction does not count. The staff makes all of the decisions.
- Practice schedules can change, & any changes will be communicated to parents. We will add practices before a competition when needed.
- Remove all piercings before practice, this is non-negotiable as it is a safety issue.
- No food or drinks other than bottled water are allowed in the gym.
- Revolt has the right to refuse services at any time.
- If you have questions, please schedule an appointment with Jamie and Melissa.

- A schedule of payments is listed in this handbook. All monthly fees are due on the 1st of the month. Auto-pay, tuition will be run on the 1st of the month through the 10th of the month.
- No personal checks will be accepted
- A late fee of \$15 will be assessed for all payments made after the 5th. All other fees are due on the exact due date. You may pay by cash, credit card or money order.

Fundraising

All competitive team members will be asked to participate in 1-2 competition fundraisers. We are able to keep tuition low due to not charging parents for competition registration fees. Prizes will be given to members who exceed their goal.

Practices

There is a waiting area designated for all parents/friends. Parents/friends are asked to stay in that designated area and not come into the training area. We want your child to get the most out of every practice. In order for this to happen, we need their full attention. If there are distractions, the whole team is affected and may also become a safety issue. Coaches may close practices at any time for any reason. If a parent or anyone is observed speaking negatively about a team, coach, parent or cheerleader, he/she will be talked to and/or asked to leave. If this kind of behavior continues to be an issue, the child will have to be removed from the team. We will not tolerate this type of conduct. If a parent verbally assaults or threatens a student, coach or parent, the family will be dismissed from the program.

Transportation

All transportation/accommodations to local competitions are solely the responsibility of each family. We will make every effort to provide information in a timely manner. However, if a competition is canceled or rescheduled, Revolt will not be responsible for reimbursement for any reason.

Parental Support

- Your dedication and support are just as important to us as it is to your child!
- We encourage all parents to sit together and support all Revolt teams.
- Parents are also encouraged to show support by wearing Revolt clothing to competitions.
- Showing respect for the coaching staff, other teams and hosting organizations is expected, as you are there representing Revolt and your child.
